**A cornice is the beautiful ornamental plasterwork that lines the room just below the ceiling and is a feature that can be found in many homes.**

Elite Decorating provides cornice renovation and repair, with a skilled team of specialists able to restore your cornices and coving to their original appearance. Generally fairly ornamental and in most cases very detailed, cornices are often regarded as being difficult to repair and restore.

Our team of experts are well versed in cornice restoration and can bring them back to their authentic best.
